Docket No. 98N-1265 ⁹⁹ APR 20 AM 1:32
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Why take my right of choice away?
These medical supplies help me live better.
I CAN NOT get those where I live. I have
to order them. This is not your life but it is
mine. Allow me my freedom! You, nor
anyone else, has a right to tell me what
doctor or medicine I have to use. It is my
choice & my right. Stop trying to take it away.
